

DOMENICO'S

ITALIAN RESTAURANT

Long Beach's Oldest Restaurant

To Domenico's Valued Patrons:

We wanted to let you know that we are very concerned about the spread of the Novel Coronavirus/COVID-19. We have been monitoring all guidelines from the CDC, the City of Long Beach, and other appropriate agencies, and continue to implement health and safety procedures as recommended.

This includes sanitizing all surfaces that people touch with frequency, ensuring our staff follows strict hand washing policies, prohibiting any employees showing any signs of sickness from working, and maintaining a safe and clean working environment. We are providing hand sanitizer, tissues, and clean towels (kept in a sanitizer solution) for our work areas.

We realize that you may choose to stay at home more often during this outbreak. Please keep in mind that Domenico's offers takeout orders for pickup, as well as home and office delivery (using our ChowNow app, DoorDash or Postmates).

We thank you for your patronage, and your support in getting through this difficult period. The safety of our guests and staff remain our top priority.

Sincerely,

Mike Rhodes
