DOMENICO'S AWARD-WINNING PIZZA

Domenico's pizzas are prepared in our traditional style since 1954. We make our own sauce and crust every day. We grind our meats (pepperoni, sausage, salami), and cook our sausage on the premises. We layer the mozzarella on the crust, then add the sauce, and finally top the pizza with our toppings. This process helps keep our crust crispy. Our toppings are very generous. Indeed, our large Special and Supreme pizzas weigh in at over four pounds*.

*Approximate weight before cooking.
